

Double Ace Cargo

**WE MOVE MERCHANDISE
AT THE SPEED OF BUSINESS**

Our History

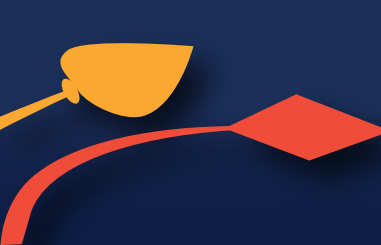

Established in 1998, Double Ace Cargo has quickly become one of the preeminent freight forwarding companies in the industry. Our leadership team has more than 15 years of experience in designing logistics solutions for global and mid-size companies in established and emerging markets. Our team of supply chain experts serves companies in a wide array of industries.

We have an interest and expertise in moving goods that require special handling, such as temperature-sensitive merchandise, bulky cargo that is transported by charter vessel, goods that need to be tracked and secured to avoid costly duties, and high-value goods subject to theft.
